Apologies for the delayed reply. I will be returning to the office on 4/18 after 3 business days away. I think it would be real tough for me to coordinate this at this late juncture. On the other hand, I'm more than happy to participate remotely if that option is available. Elizabeth Goldmann spoke with me yesterday to suggest as much. Hope this is OK.

For your reference, I will be out of the office tomorrow (4/13) through Monday (4/17). I will then be out of the office for my wedding from Thursday May 4 through Monday May 15. I know the timing on this leave pretty amazingly bad. How unfortunate that this is how things worked out.

Carter -
I've misplaced the note I wrote to myself about your leave schedule. Are you available to participate in this meeting (1-day trip, no overnight)? At present, Jason Brush and I are going, but it would be helpful to have your more detailed knowledge of the EIS and supporting documents. I still need to check our travel funding balance, but wanted to check your availability first.
